

# Health System News: Sept 2024

## News

**A new treatments hub is live on our website!**

We've created a suite of new content on diabetes drugs and updated our existing medication pages for people living with diabetes. We now have 19 new web pages for various diabetes drugs, as well as a new page dedicated to weight loss medications. You can read more [here](#)

## Events

### **1. Menopause – Changing Cycles. Wed 16 October 7.30 – 8.30 pm**

Join Joanne Callan, Holistic Therapist and Wellbeing Coach, Founder Changing Cycles and Diabetes UK Northern Ireland on Zoom and learn more about:

- An overview of peri-menopause and menopause.
- Holistic ways to support through this stage of life.
- Peer to peer conversation with others.

The session is open to all women living with or at risk of diabetes. [Register here](#)

## Resources

### Newly diagnosed with type 2 diabetes

Due to unprecedented demand our supply of 'Newly diagnosed with type 2 diabetes' toolkits has now run out.

Diabetes UK have created a new UK-wide core resource to support people living with type 2 diabetes – 'Your Guide to Type 2 Diabetes', which can be ordered directly from our online shop using [this link](#) as a digital download or printed A5 booklet (max 50 copiers per order).
